SUBMISSION REQUIREMENTS FOR ARTICLES

Deadline – September 09, 2019.

The articles are accepted from the registered conference participants, who uploaded them to the conference site (http://conflib.diit.edu.ua) or sent to the following e-mail:
- for Ukraine and foreign countries (except Republic of Belarus and Republic of Kazakhstan) – Tetiana Shytikova libscience266@gmail.com
- for Republic of Belarus – Olha Bolnova nmo@bsu.by
- for Republic of Kazakhstan – Asemhul Temyrkhanova atemirkhanova@nu.edu.kz

The volume of the article, including abstract, illustrations, tables and the list of references is 6-8 pages.

Only the manuscripts that were not published before (including in another language) are accepted.

The articles of the conference are published in the English language only.

In order to speed up reviewing the manuscripts should be submitted in two languages – English and Ukrainian (Russian).

Each participant of the conference may be co-author of no more than two articles.

The article should have the following minimal *set of structural elements*:
• **Introduction** describing the problem, relevance, analysis of recent research and publications with the indication of unsolved part of the problem and the purpose of work;
• **Methods** presenting the summary of the main material describing the methods, research techniques and the justification of the results obtained;
• **Results and Discussion** give the detailed results of original research and its analysis;
• **Conclusions** presenting the main conclusions, recommendations and prospects of using the research results

Components of the article:
(the text of the manuscript should be fully justified)
1. **UDC**-index (Universal Decimal Classification) is placed in the upper left corner of the page in the first line left-aligned (TNR 12, bold), space before – 0 pt., after – 12 pt.
2. **Information about the authors:** surname, first name and patronymic (initials), place of work, city, country, e-mail and ORCID. Space before is 0 pt., after – 12 pt.
3. **Title of the article** – left-aligned (font – TNR 14, bold, space after–12 pt).
4. **Abstract** (in one paragraph, volume 100-150) – fully justified, structured (according to the logic of the material description in the article). It should contain the following elements: ***Objective, Methods, Results, Conclusions***. The abstract should not repeat the text of the article itself, as well as its title, references and abbreviations. Font TNR 10 pt. Space after – 0 pt
5. **Keywords** (4-6 separate words and/or in several phrases) – fully justified. In front of the list the indication *Keywords* should be italicized: separating character – semicolon, the dot at the end of the list is not needed (font TNR 10, space after – 12 pt).
6. **Text of the article** should be structured and have the following elements: Introduction, Methods, Results and Discussion, Conclusions. The text of the manuscript should be fully justified. The reference to the literature used in the text according to the **APA-style** should only be given in parentheses, for example (Schmidt, 2018) or B. Schmidt (2018).
7. **References** – transliterated list of references (in Latin letters) in alphabetical order; **APA-style** (headline – TNR 11 pt., Capital letters). Publications over the past 3-5 years, DOI.

8. **Illustrations** should be submitted in a separate folder in the JPG or TIF format with obligatory indication of their location in the text of the article. The list of illustrations should be submitted in a separate file in Microsoft Word.
